Tolling in Washington State Today

New Tacoma Narrows Bridge opened 2007

SR 167 HOT lanes pilot project opened 2008

- *Good To Go!* is WSDOT's statewide electronic tolling system
- No slowing down, no stopping, fewer accidents
- A *Good To Go!* account will work on any tolled road or bridge in Washington state
- Goals: congestion management and project funding

2

How SR 520 Tolling Will Work

- **All electronic tolls – No toll booths**
 - *Good to Go!* accounts
 - Passes
 - Pay By Plate
 - Pay By Mail
- **Fleet Management**
 - Commercial Accounts can accommodate an unlimited number of vehicles
 - Itemized account statements by Pass number or license plate number available online

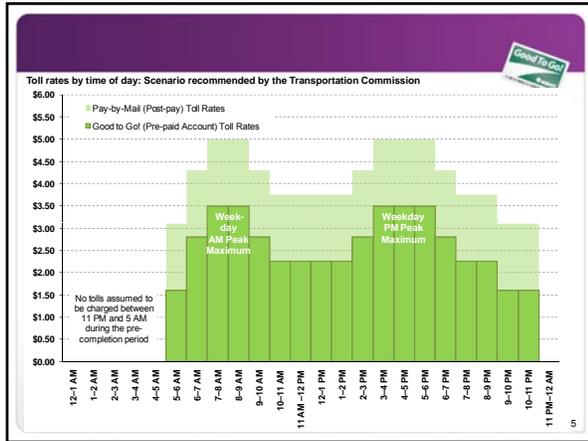

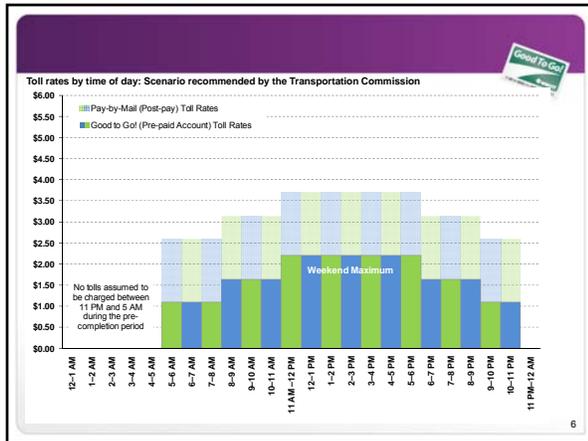

3

Pass Options

- New smaller and movable toll pass options will be available to drivers in early 2011:
 - Standard sticker (\$5.00)
 - Standard moveable pass (\$8.00)
 - Moveable pass with on/off option (\$12.00)
 - Motorcycle sticker pass (\$8.00)
 - External mount license plate pass (\$12.00)
