

Student Achievement

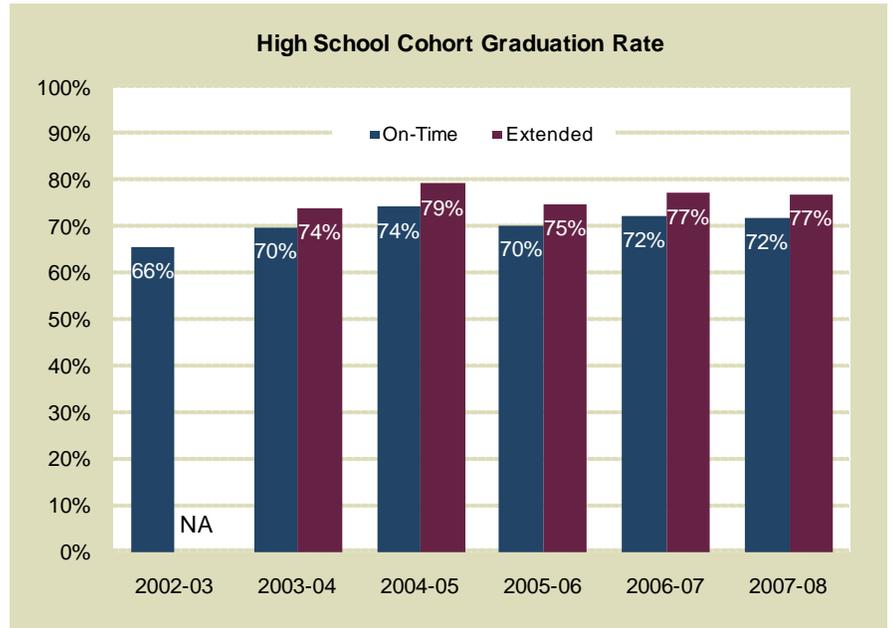

Indicator 3: Increasing the High School Graduation Rate

Measure a: High School Cohort Graduation Rate

Description:

Indicator 3 is a measure of the percentage of students entering ninth grade who receive a regular high school diploma on schedule four years later. This "on-time graduation rate" was first calculated for the Class of 2002.

Note: Students receiving GED diplomas are counted as dropouts in this measure.

	2002-03	2003-04	2004-05	2005-06	2006-07	2007-08
On-Time Graduation Rate	65.7%	70.0%	74.3%	70.4%	72.4%	72.0%
Extended Graduation Rate	n/a	74.0%	79.3%	75.0%	77.4%	77.0%
